## Up the lane

My fella Chris and me were on our way home from a week's holiday.

It was after midnight and the only vehicles on the road apart from us were lorries. My fella told me to take all my clothes off and, being the dirty bitch I am, I jumped at the chance.

I love strangers seeing me naked, so I stripped the lot off. Before long I was also pulling at my bloke's jeans to get his cock out.

By the time I had his cock fully out, hard and in my gob lorry drivers were slowing down to get a good eyeful and hooting their approval.

They would have had a

great view of my arse looking them right in the face.

I sat back in my seat. I started fingering my love hole hard and fast so every driver who went past could clearly see. At the same time I was tossing my bloke off.

and slow for a minute or two. Then he pulled out, took a firm grip of my hair and rammed his cock up my arse.

He fucked my little bumhole for about five minutes. Then as he was about to cum he pumped shot after shot of hot cum right up my arse.

## He lost his load up my backside

He even put on the interior light so they would see the lot. By this time my pussy juice was all over the car seat.

I couldn't take any more so I told Chris to get off the motorway. He did so straight away, pulling on to a little country lane after a couple of miles.

When he parked up, I jumped out totally naked and climbed on to the bonnet on my hands and knees. Chris came up behind me and slapped my arse a few times.

Then with one hard push he was all the way inside my red-hot minge, which was still a bit sore from the bangings I had been taking in the caravan all week.

He pumped me hard

Just as he was losing his load up my backside, a car went past.

The man and woman inside slowed right down and saw everything!

## Thighs the limit

There is something very slutty about thigh boots. Whenever I wear them I turn into a sex-starved vixen!

Take last week. I went for a quiet drink in my local pub in my sexy white mini dress and, yes, my white thigh boots.

I soon noticed a bloke kept looking at me. My hubby encouraged me to flash my gash at him.

After giving him a few flashes of my neatly-trimmed gash I could see the bulge in his trousers.

I felt so sexy and turned on that I told my husband to take me outside and fuck me.

Once outside I hitched my dress up so my hubby could lick my swollen pussy. I was soaking wet and his face got covered in my love juice.

My hubby started fucking me up against the wall while he fingered my arse.

The guy from the pub

who'd been staring at me had followed us outside.

He got his cock out and started wanking, his eyes fixed on my thigh boots and my wet slippery cunt at the top of them getting rammed by my husband's cock.

My husband's balls were dripping with my cunt cream. He was fucking me hard and fast.

The guy watching me inched a bit closer and sprayed his spunk all over my thigh boots, just as my husband let out a moan and spurted his spunk deep inside my cunt.

What a great night out!

*Sarrah, Hull.*

#### **Sarrah's husband**

**writes:** Sarrah loves sucking my cock. She has the very best technique you can

imagine. I had just come back from work and when I walked through the door she was sitting on the stairs.

She was dressed in a dark blue air hostess's uniform that showed off her enormous, beautiful tits. She also had black stockings and black leather boots on.

She had her legs open and was rubbing her lovely, wet, shaven snatch. I could hardly believe my eyes – she looked the dirtiest, most fuckable slut you could imagine.

I couldn't do anything but rub my hard-on through my jeans, watching as she pushed three fingers in and out of her sopping wet hole. I got my cock out and started wanking.

As her breathing got faster and heavier I had to take her upstairs for a good fucking.

She readily agreed to this. In the bedroom I made her kneel down in front of me.

I put my cock in between her gorgeous pendulous tits. I especially love this because as she tit-wanks me she licks

the tip of my bell-end.

After enjoying some of that action for a while, I guided my rock-hard cock into her mouth. She took my entire length down her throat without blinking.

She gives the best deep throat that any man could wish for. She sucked me off for about five minutes but I had to make her stop before I came.

Then I lay her back on the bed and sunk my rigid shaft deep inside her. I started to bang the life out of her as hard as I could. She loves a good hard banging.

I could feel her cumming underneath me, so I turned her over and eased my cock up her tight arsehole. She twitched and squeezed her muscles as I started pumping.

I couldn't last long fucking her dark hole. I pumped a stream of hot spunk up her arsehole and all over her arse.

We continued through the night doing more, until my balls had run dry.

A few hours sleep and we were both up for it again. I woke up with her heavy boobs sliding along my shaft, bringing it back to life, and her succulent pussy in my face, smelling of hot pussy juice and my spunk.

I licked her out as she tit wanked me then she finished me off sitting on top and I came while sucking on her boobs.

BEHIND THE SCENES AT ESCORT

## HOT STUFF!

**FIRE CLUB, VAUXHALL**

A friend took me down to Vauxhall (south of the river... aaagh!) to the Fire Club and its Mystical Magical Wonderland night. There was plenty of fit totty for my male friend and I had a wonderful time at the wet T-shirt contest – although I was too busy ogling the tits on display to get my own out. So my knickers were sopping at least!

## TIT PARADE

I've always been a big fan of Your Choice's Viewers' Wives, now up to number 57. This makes me feel very old, like watching the ads for Now That's What I Call Music number 75. Plenty of homegrown hits on this disc though – I liked Keeley, TJ and Nascar as two nuns and a slightly perplexed man and black girl Summer's first BG! £17.50, [yourchoice.co.uk](http://yourchoice.co.uk).

## DIRTY DOZEN

This 12-piece Bag of Love from [lovehoney.com](http://lovehoney.com) is really rather snazzy – I can see me being whisked off at the drop of a hat by one of those quite good looking guys in Accounts with this in my hand. Includes massager, tape, mask, cock ring, love beads, plug and more! Perfect for a dirty weekend, or at least for putting in Uncle Reg's hand luggage before he goes to Heathrow.

**Dear Julia:** Where is that restaurant that you had four girls in in your last issue? I'm into good food and good sex and could kill two birds with one stone (so to speak, I don't mean actually kill birds) by eating well with a couple of wicked girls like that waiting on me.

# BASH THE BISHOP!

**BBC TWO**

In a hilarious episode of BBC2's Rev last month the local Muslim group wanting to use the church stumble across some literature that, er, isn't on the Sunday school reading list. I'm sure there are some Anglican congregations in Vermont that allow this sort of thing (I mean reading pornography in church, not letting Muslims use the facilities) but obviously Escort shouldn't generally be read there. Except at midnight mass on Christmas Eve when everyone's too drunk to notice you knocking one off.

**Julia says:** Trade secret I'm afraid. It's in a backward area of Essex and let's say the owner fears reprisals from the toothless locals. The girls had a lot of fun. Let's just say if you do manage to locate the restaurant, avoid the courgette fritters.

**Dear Julia:** My new wife is a real handful in the sack. We have the best sex ever, fucking around and sucking bits of each other all while reading your magazine. Thanks for helping married life go with a swing!

## DEAR JULIA

**Julia says:** Married life isn't always bliss, as my co-workers are always telling me. Money, housework and babies always get in the way. But try to combine them, like Katie K in this picture!

# REAL WIFE SEX

**Beer and sex sandwiches...  
workmates Em and Kelly  
form a union...**

*Emma & Kelly,  
Darlington*

I really enjoy my job as a barmaid, but it has become even better since Kelly took a job here.

Kelly and I got along well together from the minute we met. She knew everything there was to know about pulling pints and mixing drinks and has since given me loads of hints and tips. We've always have a good time together and always made each other laugh, no matter what we were dealing with at work.

I thought from the start that she was beautiful as well as fun, what with her smooth, creamy skin and long, dark wavy hair. I have a nice figure, but hers is just incredible! She has amazing breasts that you just can't help staring at.

Anyway, the pub we work in is a pretty big place, and there are over 10 staff on duty at any one time. Although a cleaner comes in every morning, we all have to take turns checking the toilets during our shifts. It's nothing difficult, just stuff like replacing the loo rolls, although the odd time we do have to mop up.

While we're doing this we hook a sign on the door to let the customers know that the facilities are being serviced. Last Wednesday it was my turn, and I set off with my mop and bucket to check the status of the bathrooms. As I was hanging the sign on the door handle, Kelly came inside with me.

"I need you inside here," she said, pulling me inside with her, and giggling. Telling me she was taking an unofficial break, she told me to lock the door while she popped into one of the cubicles.

I got on with my work, replacing the toilet roll in a cubicle as I heard her flush the cistern, make her way to the wash-basins and turn on the tap. To my surprise, however, Kelly was standing there

# ONE OUT, ALL OUT!

wanted this to go.

As if she had read my mind, she unzipped my skirt and let it fall onto the floor. Dropping her own she peeled off my panties, and I helped to remove hers.

I slid my hand between her thighs and was relieved to find her pussy was just as wet as mine. I keep mine neatly trimmed but Kelly's was smoothly shaved and completely bald. I took my time feeling all of her, rubbing her juices around, and gliding my finger over her aroused clit. She backed up against the vanity counter and spread her legs.

I dropped to my knees and began lick-

ing her glistening pink skin. Parting her labia with my tongue I drove it into her, revelling in the sweet, fresh scent of her juices. Licking my way up and down her slit, my tongue slid slowly over the hard little nub of her clit with each pass.

In a few minutes, Kelly was squirming against me, pressing her pussy hard against my mouth. She started to moan very softly as I eased two fingers into her cunt and then began moving them in and out as I sucked on her clit. Rocking her hips back and forth, Kelly was breathing hard, then suddenly I felt her body spasm and her inner muscles contract against my fingers. She suddenly grabbed hold of the back of my head, pulling my face hard against her pussy as she moaned out loud and came on my mouth.

She released her grip on me and sat there panting for a few seconds as she came down from her climax. Then we swapped positions and my whole body tingled with anticipation. I couldn't wait to feel her lips and tongue on me.

Kelly pulled my legs up and apart so

with her shirt off, her beautiful breasts straining in her skimpy bra. She smiled and said softly, something like, "I've seen the way you look at me."

I was so flustered I didn't even speak, just watched as her nipples hardened under my gaze. She dried her hands and, not waiting for me to answer, just began opening the buttons on my blouse and peeled it off. Removing my bra, her grin broadened as the sudden feel of air on my nipples made them tighten.

Licking her full lips, Kelly leaned over and put her mouth to one of them, teasing it with her tongue as she sucked on it. Instantly my pussy moistened and I reached for her beautiful, hard nipples, touching them through her bra. This was what I had wanted for so long. I was becoming more and more aroused, and wondered how far she

## Have one on me

**M**y girlfriend Clare and I recently spent a weekend in a hotel. One evening Clare changed into a sexy little number.

Underneath she wore black stockings and suspenders.

She was opening her legs to give him better access. When I suggested we go up to our room for a nightcap, they both smiled.

It was horny as hell following them down the corridor, watching John's hand resting on Clare's arse, her stocking tops now clearly visible.

Back in the room, Clare lay

back on the bed and John sat on the edge of it while I got the drinks. We chatted for a short while about everything but sex, the tension in the room becoming unbearable.

Clare decided to get the ball rolling. Without warning, she parted her legs and her skirt rode up to reveal her damp, skimpy knickers. Looking at both of us with bright horny eyes, she rubbed

her hand over her mound, and dragged her finger down her gusset so we could see her knickers sticking to either side of her cleft.

I nodded at John to get stuck in. He leaned forward and began licking her pussy, through her knickers at first. Clare pulled them to one side and

To top it off, she wore a pair of wicked stilettos. Down in the bar she attracted a lot of looks, especially when she crossed her legs.

One particular businessman type couldn't keep his eyes off her. When I returned from the toilets one time, he had joined our table and was chatting to Clare.

He gave me a funny look, like he half expected me to chin him, but I gave him a reassuring smile – it was absolutely fine for him to chat up my wife.

Hoping it might turn into a horny situation, I asked John to stay and have a drink with us. Before long I noticed his hand was creeping up Clare's thigh.

pushed her cunt towards his tongue.

He stripped her down to her stockings, suspenders and heels. Then he undressed, revealing a fat cock. Then they lay on the bed kissing.

Clare stroked John's stiffening cock while he played with her hard nipples. Then Clare told me to eat her out, so I let her pull my head between her thighs.

After a while Clare got on all fours and asked John to fuck her from behind. His cock slid into her pussy with a single thrust. He was soon pumping away and making her moan.

I moved over and fed my boner into her mouth. Clare's eyes were glazed over with lust as we fucked her at both ends. After each orgasm she told us to fuck her harder.

Her language was obscene as she encouraged us to cum over her face and tits. John directed his cock at her open mouth, as did I.

We both came at the same time, coating her in spunk. Then she cleaned both our cocks of spunk and lay back with a satisfied look on her face.

So come on guys and girls – who's next?

## Italian stallion

**M**y boyfriend and I were at a hotel the other night and when he went to bed (as usual!) I decided to stop up and go to the bar.

There I met an old, balding Italian man (very charming!). After a few drinks he asked

My boyfriend doesn't have the skill or patience for fore-play so when Luigi slid his hand up my skirt to caress my tingling, bubbling sex I was in a new and blissful world.

When he removed my skirt and panties to ogle my split peach I wasn't embarrassed as he was telling me all the time how beautiful I was.

As I posed there naked for a complete stranger I felt like

me if I'd like to go outside for a smoke.

We found a secluded area with a table and chairs and he started to fondle my breasts.

I thought that I loved my boyfriend but when Luigi removed my blouse and bra and began to suck on my nipples like a starving baby I began to love him too!

I had never had my nipples stimulated as much and they became as swollen as corks and sent ripples of tingling lust down through my pussy.

a Miss World as his hungry adoring gaze devoured me.

He started licking my clit and heavenly feelings engulfed my body. Instinctively I stroked his balding head and pulled it even tighter into my sex. I heard somebody screaming in ecstasy, "Yes, oh God, don't stop!" It was me.

A few minutes later I erupted into the first orgasm of my life and I was a changed person after that. Because of his age I wondered if Luigi was

still capable of normal sex or whether oral was the extent of his capabilities.

I soon found out when he undressed because rearing up from beneath his beer belly was a big stiffy twice the size of my boyfriend's.

I belled with total ecstasy as it slid into me. Then he rolled over on to the table and told me to ride him.

I bounced up and down on his rampant horn, his hands constantly fondling my body. I was in heaven.

Next he made me crouch down in what he called the lonely bitch position and fucked me from behind, his hands fondling my tits and clit as he banged away at me.

I was exhausted from my

orgasms but still wanted more as he held me tightly like a great bear.

His cock seemed to send charges of electricity through me with each thrust until he grunted and pumped his copious seed into me.

I orgasmed again and rode him hard until I had vacuumed his balls dry!

Then I sucked his limp cock back to stiffness. I was so proud to restore it to its former glory.

He fucked me once again (not bad for an old guy, huh?) before I crept back upstairs to my sleeping boyfriend! He didn't have a clue – unless he reads this of course!

Jo was on the prowl for prey in vol 30 no 7. Sounds like she caught some...

## Dear Escort,

I want to tell you about a particularly filthy encounter that I was delighted to be involved in recently.

I love trawling the internet for adventurous virile young men, with their sexual deviances and dirty needs to be satisfied and explored. I love the feel of their taut young bodies, knowing the lust they have for me, and the deep sense of release they experience as they shoot their load over my big juicy tits and tight, firm arse.

Andy, a 32-year-old scouser, was just one of my many liaisons. We chatted online for a week or two, recounting our basest desires.

On webcam, he would ask me to show him different positions in front of the cam, opening my wet, shaven pussy so he could see every delicious part of it as he slowly wanked off his big, throbbing, hard cock.

It was really arousing watching his dick being pulled and stroked, his eyes glowing with sexual

pleasure... NICE! I would get so turned on that I just had to pull my pussy lips apart and bring my clit to an intense climax right before his hungry eyes. Man did he jizz everywhere! YUM YUM!

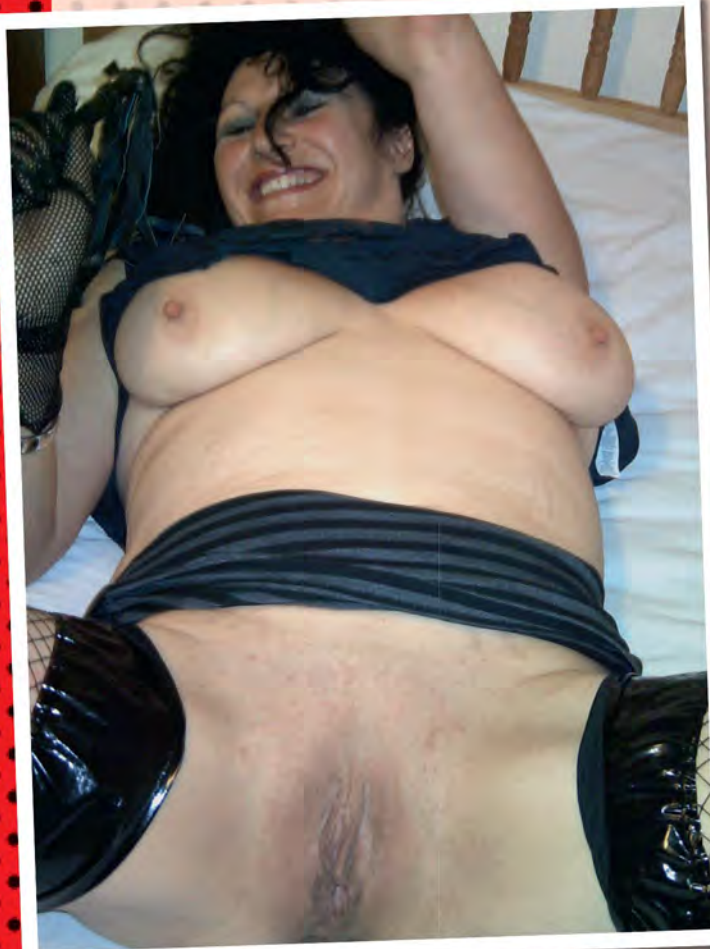

We arranged to meet at a local hotel. I arrived first and eagerly awaited his entrance. I was dressed in a short black skirt, black stockings, black high heeled boots, matching bra, sussies and thong, with my tits standing to attention in a tight, white, low cut top.

He knocked on the

expertly lick my quivering shaven haven. I climaxed intensely within seconds, gushing all over his mouth! His eyes lit up, he removed my top and skirt and bent me over the bed, still in my boots, my arse in the air. "You're my dirty whore now, and you are going to get it!" He pulled my hair and spat in my face.

I loved it – we had agreed it all. He had total power over me, a sexy young man fulfilling this woman's carnal desires.

I groaned loudly as he thrust his demanding member into me. Fuck was

door, excitement and anticipation mounted, I felt my clit tingle and a beautiful wetness descend onto my thong.

I opened the door and there stood a dark-haired man, better looking than I had seen on cam, with a massive hard-on twitching in his trousers! Oh fuck, was I ready for this!

We exchanged pleasantries, then he said, "I want what I came for, let's do it!" We had discussed every detail of our fantasies beforehand so he knew just what to do.

He threw me on the bed, lifted my skirt and began to

this decent sex or what?! "I am going to keep fucking you... You are a filthy slag!" As my orgasm hit, I cried out with pleasure. LUSH!

I climbed off and began to suck his magnificent cock. Up and down, nice and slow, wanking him at the same time.

I gave his dick my utmost attention, treating it like a huge lollipop, savouring every part of it. As he climaxed, he pushed his cock down my throat, holding my hair, so I swallowed every last tasty drop. Another deeply satisfying experience!

# REAL WIFE SEX

Emma's story continued from page 19

I had to sit back on the counter edge. Leaning into me, she slid her tongue along my slit and up to my clit, flicking her tongue quickly from side to side.

When I started to quietly groan, she stopped stroking my clit and pushed her tongue as deeply as she could into my quivering, wet pussy. She was fucking me with it, swirling it around inside me and rubbing my clit with her fingers. I could feel my impending orgasm building inside me, and when she nudged a finger gently inside my anus I came hard, gripping the edge of the counter so frantically that I chipped a nail.

After my orgasm finally subsided, Kelly sat back and smiled, licking her lips. "I think our breaks at work just became a lot more fun," she said with a wicked gleam in her eyes. "Don't you?"

Just then there was a tap at the door. "Are you finished inside there?" came a voice. We quickly threw our clothes back on, shared one last kiss and arranged to go back to my place after work.

When we went back to her place, we undressed each other down to our undies, and felt each other up as we slow-danced to sexy tunes.

She dropped to her knees in front of me and peeled my knickers down and off. Then she asked me to turn around and bend over.

She splayed my arse cheeks and I

groaned as I felt her tongue rim my bumhole, then slip right inside it. I stuck my hands into my bra and began to play with my tits, pulling on my nipples to get them stiff and aching to be sucked.

Now Kelly slid her hands down the insides of my thighs, coaxing me to spread them. Then she moved in to suck me, head back so her mouth was right underneath my cunt. Her tits were out of my reach, but I saw them quiver as she started to lick me out. Her fingers were

## She teased juice out of my cunt

all over my clit, teasing my juices out into her sucking mouth.

They flowed even more as I came so, as I felt a shudder run through my own body, she was slurping and smacking her lips, enjoying the taste.

Next up, it was Kelly's turn, so I got her to lie on the bed, with her legs hanging over the edge of it. I knelt down in between them, then really got stuck into giving her a licking.

She loved my mouth on her clitoris while my fingers fucked her cunt, hooked to catch her G-spot, which got her really hot. It only took a couple of minutes to make her cum, her snatch clenching so

tight around my fingers that I felt for a few moments like I'd never be able to pull them back out again!

I'm more of a morning person than Lara, so I was the first to wake up the next day. I had a little feel of my own

pussy and, even if I hadn't remembered every detail of what we'd done, I'd have known just from how puffed-up and tender it was that we'd spent the night in a frenzy of licking and fingering.

It's not painful or uncomfy, it just means I cum quicker and harder when I fuck or play with myself again.

I was really tempted to wake Kelly, but she looked so gorgeous, weirdly sweet and innocent when she's asleep. I guess it's because you can't see her eyes and the look of lust in them!

We made it in for the lunchtime shift at work then it was a couple of hours off which we spent in each other's knickers again! Work has never been such fun! 🍆

## Alley cat

After seeing a copy of your magazine some months ago, my girlfriend Teresa wanted me to take some photos of her.

These are just a few of them which we took yesterday after a night out – we have lots in the drawer at home and more on the computer now.

The thought of lots of men wanking over her really turned her on. Although she had never done it before, she knew exactly how to pose because she is a big tease anyway.

As she slowly stripped off my cock got so stiff in my trousers I had to take them off. There I was photographing my sexy Teresa in just my boxers.

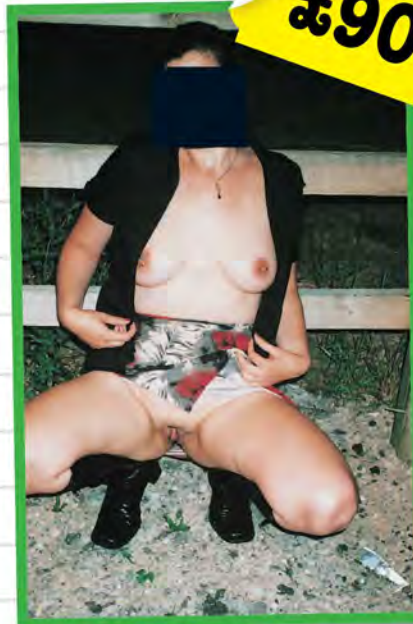

Gradually she shed more and more clothes until my cock was nearly bursting. I found it difficult to hold the camera still as I was so turned on.

Teresa got down to just her knickers and seductively peeled them off. She turned her back to me and exposed her lovely arse before turning round.

She sat on the table and opened her legs, exposing her shaven cunt. That was it. I put the camera down and buried my face between her legs.

When I licked her cunt I found she was oozing with juice. There I was, in my element probing her cunt with my tongue. She lay back on the table as I licked her clit.

I slid two fingers inside her while my tongue worked on her clit. This really got her going, rubbing her tits and shouting for more as she climaxed. Her love juice was all over my face.

When she'd cum she got down from the table and turned me round so I was leaning up against it. She pulled my boxers down to release my stiff cock, glistening with pre-cum.

She wanked me off, her hand a blur as she expertly brought me to the edge of cumming.

Then she squeezed my balls and ran her tongue along my cock before giving

## Three gift

Please come and fuck me! I am a 24-year-old divorcee from Kent and I am having the time of my life.

Since I left my husband I have not looked back.

He was selfish and unadventurous in bed, but he was my only sexual partner so I didn't know what I was missing.

The last I heard he was with a girl who's prettier than me but he's missed out because now I'm really hot in the sack!

I met this guy called Mark soon after my divorce and we started having sex. It was unlike anything I had experienced before. It was wonderful and I would cum by the bucket load.

He knew exactly how to use his tongue, his fingers and of course his cock.

Mark introduced me to all sorts of new things and now I just love being fucked by more than one man.

The first ever threesome I had was with Mark and his mate Rob.

They took me out for a meal and got me horny by telling me what they were going to do to me. I was practically cumming in my knickers before we even got home.

Then we all stripped off and I knelt down in front of them and

sucked them both off.

At first I did it one after another, but they encouraged me to take both cocks in my mouth at once.

Then when they were both rock hard they got me on all fours. Mark shoved his lovely cock up me from behind while I took Rob's meaty member in my gob.

The thought of being spit-roasted by two well-hung

## Their cocks plunged in both my holes

blokes was almost as horny as the feeling!

It was great to have pleasured at both ends, but there was better to come.

Mark said they were going to double-fuck me. Rob lay on the floor and lifted me on top of him, impaling me on his cock.

Mark started fingering my arse while I rode Rob.

Mark had taken my anal virginity and I found out I loved it up the arse. So I couldn't wait to have his dick up my bum while his mate pumped my pussy.

With a firm nudge, Mark eased his cock up my arse

me a fantastic deep throat blow job. I was struggling to hold on, as I wanted to shoot my load deep in her cunt.

So I made her stop, threw her on the table and plunged

to where we live. It was risky but great!

Teresa would now love to pose for groups and perhaps fuck them all. Any offers?

## Men wanking over her is a turn-on

my cock deep inside her. I gave her long slow strokes, sucking on her tits with my hands in her hair as she cried out with pleasure.

With a final grunt we came together.

That was a photograph session to remember.

The time we took these pics we have sent you ended just as pleasantly!

We couldn't wait to get upstairs so we fucked savagely in the alley next

## Easy passage

My boyfriend Andrew and I had been drinking at home all evening and we were getting very randy.

I started rubbing his hard cock through his jeans. Then I unzipped his trousers, pulled them down around his ankles and kneeled in front of him.

I started sucking on his rock-hard cock. I explored the contours of his pumping prick with my tongue and took his shaft deep down my throat.

I wanted to feel his cock moving inside me, so I took his cock out of my mouth and told him to shag me.

I got down on all fours and he lifted my skirt up and pulled my knickers down.

He entered me with a grunt and started fucking me from behind. My moist fanny was wrapped around his hot cock

inside my back passage. At first it was a bit painful, but soon it started to feel intensely pleasurable.

After a while he had his full nine inches up my arse and he was riding it hard, my juicy arse cheeks rippling.

While he rode my butt I pushed a bottle up my cunt and fucked myself with it. I

## He greased his cock with my juices

and slowly sunk it deeper. Then they built up a rhythm so I was getting my cunt and arse plunged alternately.

They were very skilful and the two cocks pistoned wonderfully alongside each other inside my passages.

It was the best sex I ever had and I was cumming

uncontrollably.

They finished off by wanking in my face, before I licked both their cocks clean.

I am really loving my sex life and I want to hear from lots more men who want to join me for threesomes, foursomes and gangbangs.

as he drilled me hard, fast and deep.

I was getting very turned on and I could feel an orgasm building up inside me. I came hard, my juices spilling out over his cock and dripping over his balls.

After that I told him to fuck me up the arse. He greased his cock up with my juices and slid a finger up my tight bum to prepare it for his cock.

Then he eased his cock

was climaxing more at his every thrust, I had never cum so much in my life.

It was heaven when I felt his cock bursting inside me and sending a load of warm cum spurting up my arse.

Afterwards I sucked the mixture of pussy juice and spunk off his cock and balls. After a while his cock was hard and ready to fuck me all over again.
